AMATEUR RADIO WEEKLY

Issue 222 October 27th, 2018

Top links

ISS SSTV this weekend

Twelve images will be downlinked, but this time with six featuring the SCaN educational activities while the other six images will commemorate major NASA anniversaries.
AMSAT

VP6D Ducie Island seeing too many dupes

They're seeing "far too many dupes" as they work their way through the pileups.
ARRL

ISS voice active, SSTV from satellite

NASA astronaut Serena Auñón-Chancellor KG5TMT, who is currently on the International Space Station, was active on 145.800 MHz FM making contacts on Saturday, October 20.
AMSAT UK

W5KV's 2018 Ham Holiday Gift Guide

It's never too early to start planning gifts for the holidays.
W5KV

Download of DSLWP-B Moon and Earth pictures continues

It was expected that the Earth would be visible in the image, and this was indeed the case.
Daniel Estévez

Global JS8Call Network

I can even have a chit-chat by relaying my messages through stations I can hear, to a station I can't. JS8Call is not a mode, it's a system.
